Circular 03/2017

24 March 2017

To: Salaries and Wages Officers

At: All Employing Authorities

Dear Colleague

### **Revised Form LGS6**

This Circular has been issued to advise you of the amendment to Form LGS6.

The Government Actuary's Department (GAD) reports are being changed and there is now a requirement for NILGOSC to report separate figures for pre-2015 Basic Pension, CARE Main Basic Pension and CARE 50:50 Basic Pension transactions.

To facilitate these new requirements it is necessary that NILGOSC collects this information from employers in relation to employee pension contributions. We therefore require you to separately identify those employee contributions that relate to the main section from those in the 50:50 section of the Scheme where applicable. If any additional contributions are payable, we also require you to separate these into pre and post April 2015.

I have attached a copy of the revised Form LGS6 which is now also available on our website. From April 2017 this revised LGS6 form must be used to report pension contributions to NILGOSC. Please note that substitutes for the revised LGS6 form will **NOT** be accepted.

Please do not hesitate to contact the Finance Team or myself if you have any queries.

Yours sincerely

Paula Neill  
Accountant
