Circular 02/2022

18 February 2022

At: All Employing Authorities

Dear Colleagues,

Annual Return specification for year ending 31 March 2022

This Circular confirms the specification for annual returns for the year ending 31 March 2022. The deadline for submitting your annual return is **29 April 2022**. Those employing authorities who have already successfully migrated across to i-Connect are no longer required to submit an annual return (see Section 10).

1. Deadline

The deadline for the annual return is defined under Regulation 90 of the Local Government Pension Scheme Regulations (NI) 2014 and cannot be extended.

Penalties will apply to all late submissions including any incomplete returns submitted before the deadline. Your annual return must be submitted to annual.returns@nilgosc.org.uk, fully completed and in the correct format, by **29 April 2022**. This applies whether you submit your return to NILGOSC directly, or via an outsourced payroll bureau. As each part of the return contains personal data, you must send it to NILGOSC in a secure format, in line with your obligations under the Data Protection Act 2018.

2. Actions employers can take now

Although your return does not have to be submitted until 29 April 2022 there are several actions that employers can take now to make the process smoother and avoid unnecessary queries:

- Email annual.returns@nilgosc.org.uk with the contact details of the intended recipient of this year's annual return.
- Watch the virtual [Annual Return training session](#) that is available on the employer's section of the NILGOSC website.
- Check your pre-populated spreadsheet when you receive it and reconcile it against your records, both for members and their membership numbers.
- Ensure you have advised NILGOSC of all new members and continue to do so promptly for any new members up to 31 March 2022. Annual returns with missing NILGOSC member numbers will be automatically returned and you will be required to resubmit.
- Ensure that you have the correct NILGOSC member numbers recorded against all member records and posts.
- Check that you have forwarded all outstanding leavers' forms for all leavers up to 31 March 2022.

3. Annual Return Format

NILGOSC can only accept **one** 2021/22 annual return on a pre-populated spreadsheet (or on a previously agreed alternative spreadsheet which conforms to the same specification) or in a single text file per employer.

Pre-Populated spreadsheet and early checking

NILGOSC will use secure email to send every employer a pre-populated spreadsheet listing all its employees who were active Scheme members during the year, along with their membership number(s) and other information from our records.

Please email annual.returns@nilgosc.org.uk by 28 February 2022 with the name of the employer, the name of the recipient and their email address so that this spreadsheet can be issued securely. This recipient should be a known signatory of NILGOSC for that employer and must be registered with our secure email portal (<https://nilgosc.login-uk.mimecast.com>). Further details on the secure messaging facility can be found in Circular 01/2020 issued on 30 January 2020.

Please note that NILGOSC will only send a pre-populated spreadsheet to a third party, including an outsourced payroll bureau upon confirmation that a current data sharing agreement is in place.

As a pre-populated spreadsheet is an annual return that has been partially completed by NILGOSC, in most cases you will only need to enter your employees' pay and contribution details to complete this part of your return.

Last year many pre-populated spreadsheets were returned but employers had omitted to include new joiners during that year. This delayed processing. As this is a Scheme valuation year, it is essential that the return is submitted on time and is accurate. Please ensure you reconcile the members NILGOSC holds against your own payroll records. If any LGPS (NI) member is missing from your pre-populated spreadsheet, please complete and forward a New Member Spreadsheet (SS1) to NILGOSC for each of these entries. NILGOSC staff are always available to answer any queries.

A further issue was late LGS15 leavers' forms. These are due within 10 days of the date of final payment or date of leaving, if later. The pre-populated spreadsheet details those members that have left pensionable service according to our records. If no leaving date is against an employee that has since left your employment, please forward the LGS15 leaver's form immediately and add the leaving date to the spreadsheet. If any casual employees have left, then an LGS15 should be completed and submitted for them.

Text File

A text file is exported directly from an employer's software system. Text files reduce manual input and increase the accuracy of the data submitted. The text file contains both pay and CARE data in a **single file**. Submitting your return by text file should be easier and quicker for you and for NILGOSC.

If you would like to use this method for the first time this year, please contact our IT Department (Tel: 0345 3197 320) for assistance.

4. Notes on the completion of the Annual Return

Your annual return must be submitted securely to annual.returns@nilgosc.org.uk by 29 April 2022. Upon receipt of the fully completed annual return NILGOSC will validate it and if any information is missing or incorrect, your return will be sent back to you for completion and/or query.

Bearing the following key points in mind when completing your annual return will reduce the number of queries you receive from NILGOSC after submission.

Submission Checklist – Employing authorities must complete this checklist and confirm that the information submitted on their annual return has been checked and is correct. You must also check the validation columns (AT and AU) and provide an explanation for any warnings.

- **Contributions reconciliation** – this must be completed by all employing authorities. If there are any differences, these must be explained in the comments box on the reconciliation tab.
- **NILGOSC Member Number** – you should already have this information, but you can find any missing numbers on your pre-populated spreadsheet. The numbers must be entered exactly as shown on the pre-populated spreadsheet.
- **Scheme** – you should enter 001 for all members except councillors. For councillors you should enter 101.
- **Main CARE from** – this date must be 01/04/2021 or date joined pension scheme if later.
- **Main CARE to** – this date must be 31/03/2022 or date left pension scheme- payroll run date cannot be used.
- **MAIN CARE Pay** – this is the CARE pay received during the 2021/22 year while the member was in the main section of the Scheme. This pay includes APP, non-contractual overtime, additional hours payments and arrears relating to post 01/04/2015 membership (**final salary pre-01/04/2015 arrears must not be included**).

- **50/50 CARE Pay** – this is the CARE pay received during the 2021/22 year while the member was in the 50/50 section of the Scheme. In the 50/50 section a member pays half the contributions. This pay includes APP, non-contractual overtime, additional hours payments and arrears relating to post 01/04/2015 membership (**final salary pre 01/04/2015 arrears must not be included**).
- **FTE Final Pay** – this is the full-time equivalent (FTE) pay that is used to calculate the value of final salary benefits built up before 1 April 2015. This pay figure excludes non-contractual overtime and additional hours payments. For a part-time member of staff, the full-time equivalent pay is the pay that they would have received had they worked the full-time hours for that post.
- For Classroom Assistants and Nursery Assistants who signed up to the Collective Agreement this should be a 36 hour pay. The FTE Final Pay figure for those classroom assistants and nursery assistants who did not sign up to the Collective Agreement should be a 32.5 hour pay.
- For any staff that have received reduced pay due to the job retention scheme (Furlough) please use the notional FTE final pay i.e. the pay that they would have received had they been in work as normal.
- **Career Breaks** – you will need to include these members on the annual return and provide a FTE pay for any members who have had a period of authorised unpaid leave.
- **Casual Members** – you only need to provide a FTE final pay for any casual members who have pre-1 April 2015 membership.
- **Pensionable Remuneration received** – this is the actual pensionable remuneration received by the member during the year to 31 March 2022. For **part-time** employees, this must be the **part-time rate**, and not a full-time equivalent figure. It must include all arrears paid during the year as well as non-contractual overtime and additional hours payments. It excludes APP. This figure is used to reconcile member contributions to pensionable pay.

- **Assumed Pensionable Pay (APP)*** - This is a notional pay figure that is used to ensure members are not affected by reduction to, or suspension of, pensionable pay due to a period of sickness, relevant child related leave or reserve forces leave. For any members that have been absent during the year and APP has been calculated, this notional figure must be included in either the Main CARE or 50/50 CARE column. Please remember that members pay contributions on the pay received including statutory pay, but employers pay contributions on APP while the member is on reduced or no contractual pay.
- **Multiple contribution rates** – information on each member’s contribution rate changes during the year must be shown in reverse chronological order, with the first field showing the most recent rate/date/amount, and so on, up to a maximum of four contribution rate changes. The contribution rate for members who are in the 50/50 section should be shown as half the normal contribution rate.
- **Total Main Contributions** – This is the total employee contributions paid during the 2021/22 year that relate to the main CARE scheme. For many members this will be the total of the sum of employee contributions under columns Y+AB+AE+AH.
- **Total 50/50 Contribution** – This is the total employee contributions paid during the 2021/22 year that relate to the 50/50 CARE scheme. For many members this will be the total of the sum of employee contributions under columns Y+AB+AE+AH.
- **Arrears paid during the year relating to a period before 1 April 2015** – Please detail any arrears paid during the 2021/22 year that relate to a period before 01 April 2015. Any arrears relating to post 01 April 2015 should be included in either the Main CARE or 50/50 CARE column.
- **Movement between Main and 50/50 sections during the year** – please provide the dates in each section and the pay received. If a member has had more than two changes in a year you will need to record this on the next line on the spreadsheet. They should be recorded in chronological order with the oldest dates on the first line and the more recent dates on the second line.
- **New members** - if any LGPS (NI) member is missing from your prepopulated spreadsheet, please add their details to the bottom of the spreadsheet and provide all the required information for that member. If you have not already done so, please also complete and forward a New Member Spreadsheet (SS1) to automatic.enrolment@nilgosc.org.uk.

- **‘Left’ members** - if any of your employees have left the Scheme during the year please input their leaving date in the “Date left Pen Serv.” column and send a completed Leaver’s Form LGS15 to NILGOSC. Any members who have opted out should also have been notified to NILGOSC on the optout spreadsheet.
- **Employee and employer contribution check**- the pre-populated spreadsheet has a basic check (columns AT and AU) to enable employers to ensure that some of the information that they have input is correct before the annual return is submitted. The checks cannot cover all possible circumstances and in some cases the indicator will not be correct. Please refer to the list of exceptions for columns AT and AU in Section 2 of the Specification Document. Where possible, the explanation for any ‘warnings’ should be entered in the comments box.
- **CARE contribution check** - as noted above, the pre-populated spreadsheet has another basic check (column AV) to enable employers to identify where the total Main and total 50/50 contributions do not match the data held in the contributions columns. The checks cannot cover all possible circumstances and in some cases the indicator will not be correct. Please refer to the list of exceptions for columns AV in Section 2 of the Specification Document. Where possible, the explanation for any ‘warnings’ should be entered in the comments box.
- **Sample spreadsheet** - a sample spreadsheet, showing some example members and their data, is available in the Annual Returns information in the Employers’ section on our website. It is called ‘Sample Preformatted Spreadsheet and Reconciliation Form’.

6. Councillors

Until an employer is live on i-Connect there is no need to submit a separate return for councillors. The entry for 'Scheme' for councillors should be recorded as 101. For all other members the Scheme is recorded as 001. Councillors will only have a CARE Main section pay as they cannot participate in the 50/50 section. They also will not have any FTE final pay (column T) details as the final salary scheme did not apply to them. Councils were advised in Circular 12/2021 of the new requirement for i-Connect where councillors need to be treated separately. **Please ensure that you have implemented this from 1 April 2022.**

7. Annual Allowance Pay Details

Once NILGOSC has the annual returns posted it will run an annual allowance calculation across all the Scheme members using the pay provided in the annual return. This calculation will provisionally identify all members who may have exceeded the standard annual pension savings amount of £40,000 and could also be liable for a tax charge. In these cases, we will contact you for further accurate pay information including for the period 1 April 2022 to 5 April 2022. Please give these requests your urgent attention as NILGOSC has a statutory obligation to issue pension savings statements to affected members by **6 October 2022** and individual calculations will be needed in each case.

8. Pension Administration Strategy

The purpose of the Pension Administration Strategy (PAS) is to highlight the responsibilities of NILGOSC and the Scheme's employing authorities when carrying out their Scheme functions. It has been effective from 1 October 2017 and replaced all previous service level agreements held.

Under Regulation 76 of the Local Government Pension Scheme Regulations (Northern Ireland) 2014, NILGOSC will recover from the employer any additional costs that are incurred as a result of the quality of the data being inadequate or submitted after the deadline. Employers are asked to submit their return promptly on or before the 29 April 2022. NILGOSC will continue to issue penalties for late submission or poor-quality data. The charging schedule is detailed in Appendix 2 of the [Pension Administration Strategy](#) on the NILGOSC website.

NILGOSC intends to review and consult on a revised PAS towards the beginning of the summer.

9. Staff on Furlough

Furlough pay arose under the Coronavirus Job Retention Scheme and allowed an employer to keep an employee on the payroll even though they were unable to operate or had no work for the employee to do because of Covid-19. Furlough pay is pensionable under the Regulations and members will build CARE pension based on the actual pay received therefore this reduced pay needs to be recorded in either the main CARE pay or 50/50 CARE pay section of the return. As the FTE final pay is used to calculate the value of final

salary benefits built up before 1 April 2015, a notional pay figure needs to be used for year end 31 March 2022.

10. i-Connect

In Circular 12/2021 we advised employers of the phased introduction of i-Connect and set out an overview of the process and the timetable for each employer. We are pleased that the first employers went live on i-Connect in February 2022 and will not have to submit annual returns this year. This process of onboarding employers to use i-Connect will run until March 2024.

We wish to remind those employers who have not yet returned their contact forms to do so as soon as possible. Please also ensure that you know the phase for your onboarding to i-Connect and, where relevant, have passed the payroll extract specification to your payroll provider.

If you have any queries regarding i-Connect please email us at i-connect@nilgosc.org.uk and we will either call to help you or reply to your query.

If you need more information on the completion of your 2021/22 annual return please contact our pensions administration team (Tel: 0345 3197 325) and ask to speak to myself or Jacqueline Marner.

Yours sincerely
