Circular 11/2022
14 October 2022

Dear Colleagues,

Employer Training

This circular provides employing authorities with information on upcoming employer training events. The training is to help employers meet their administration responsibilities for the Scheme.

Administration and Form Filling for Employers on monthly returns

Employers who have already moved to monthly returns will have received individual training already this year. They are welcome to join any of the following training sessions although some form filling sections no longer apply.

Administration and Form Filling for Employers not yet on monthly returns

For employers who have not yet moved onto monthly returns, we are running sessions to cover the administration and form filling requirements. These are divided into one-hour sessions as follows.

1. Administration during Active Membership

- Monday 14 November at 10am
- Wednesday 23 November at 10am

This session will cover all the administration and form filling requirements for new members joining the Scheme, contribution rates and the relevant forms associated with any changes that may occur through the duration of the employment.

2. Administration for Leavers

- Tuesday 15 November at 10am
- Thursday 24 November at 10am

This session deals with the administration requirements when employees leave the Scheme, including refunds, retirements, and deaths.

3. Assumed Pensionable Pay (APP)

- Wednesday 16 November at 10am
- Friday 25 November at 10am

This session takes a detailed look at the calculation and application of APP. It will cover the requirements of calculating APP for active Scheme members, the impact on employer contributions, and the annual return requirements for pensionable pay. The practical example, and associated forms, is followed right through to ill-health retirement.

4. Employer Discretions

- Friday 18 November at 10 to 11.30am

This slightly longer session covers the various discretions that are available to employers under the regulations and includes a sample policy statement that can be used by employers as a template when formulating or updating their own policy.

These sessions will be run as Microsoft Teams webinars, and to join any of the above sessions please register for the relevant seminar on our website:
