Circular 08/2025

27/08/2025

Dear Colleagues,

Upcoming Member Seminars

This circular provides employing authorities with information on two upcoming member seminars, which we are running as part of Pension Awareness Week 2025. Each seminar will last approximately one hour, with an additional thirty minutes for questions at the end. We would request that you share the details of these events with all LGPS (NI) Scheme members in your employment.

Pension Awareness

Wednesday 10 September at 3pm

Registration link: [Pension Awareness](#)

This seminar is a high-level overview of the current LGPS (NI) Career Average (CARE) Scheme. It is suitable for employees with membership in the Scheme after 1st April 2015, including employees who have joined recently. It is also helpful for employees who have opted out but may wish to know more about the Scheme. The session will explain the main Scheme benefits, contributions and AVCs/APCs, transfers and aggregating other pensions. There will also be a demonstration of how to access My NILGOSC Pension Online to keep track of your NILGOSC pension and to plan for future retirement.

Scheme Benefits

Friday 12 September at 10am

Registration link: [Scheme Benefits](#)

This seminar is a detailed overview for future retirement planning, including membership of the Final Salary Schemes before April 2015. This session will cover the use of Additional Voluntary Contributions and Additional Pension Contributions to boost pension savings, the different types of retirement, and will also cover what options are available if you leave the pension scheme before retirement. There will also be a demonstration of how to access My NILGOSC Pension Online to keep track of your NILGOSC pension and to plan for future retirement.

These sessions will be run as Microsoft Teams meetings. Members can register by clicking on the relevant link above, or via our website: [Training & events - NILGOSC](#). The calendar invite is issued automatically as soon as the member has registered. If they do not receive it, they should check that they have used the correct email address. If they have used the correct email address, and still have not received the calendar invite, they should check that their IT settings have not filtered the invitation email to their junk/spam mailbox.

Yours sincerely
