Dear Colleague,

NILGOSC Funding Strategy Statement

Further to my previous correspondence with respect to the consultation on NILGOSC's Funding Strategy Statement, please be advised that the consultation period has ended and the Funding Strategy Statement has been finalised.

I have attached a copy of the final version of the Funding Strategy Statement. One change has been made to the version for consultation. An additional paragraph has been added at 10.9 to clarify that individual employer strategies may be considered for employers outside of the main group at their own risk and cost. A summary of the consultation responses can be found on NILGOSC's website at <http://www.nilgosc.org.uk/consultation>.

Now finalised, the Funding Strategy Statement sets out the funding basis that will be adopted in respect of the 2025 valuation.

I would like to thank you for your participation in the consultation and if you have any queries, please do not hesitate to contact me.

Yours sincerely

Maria Bowers
Head of Finance
