Section 9 of the Public Service Pensions Act (Northern Ireland) 2014 (c.2) (revaluation) applies to pension schemes which, under that Act, require a revaluation of pensionable earnings, or a proportion of such earnings, accrued as a pension, by reference to a change in prices or earnings (or both) in a given period.

In relation to the period from 1st April 2025 to 31st March 2026 inclusive, article 2 of this Order specifies an increase in prices of 3.8 per cent, based on a measure of the year on year change in the Consumer Prices Index to September 2025; and an increase in earnings of 4.8 per cent, based on a measure of the year on year change in average weekly earnings to September 2025.

This Order comes into operation on 1st April 2026 but, for the schemes specified in article 1(3), this Order will have effect from 6th April 2026.
