Pension Scams Action Group

United action against pension scams

## Steps to stay **scam safe**

Scammers appear professional and it's becoming increasingly harder to spot the difference between something that's credible and something that's fraudulent.

The Pension Scams Action Group has put together a checklist to go through if you're ever approached about your pension.

Your pension is your future – keep it safe

**STEP  
1**

## Is the offer unexpected?

Legitimate pension providers are highly unlikely to contact you out of the blue about your pension. Be wary of free pension review offers and/or promises of high/guaranteed returns.

**STEP  
2**

## Have you checked who you're dealing with?

The Financial Conduct Authority's (FCA) website has a Financial Services Register you can check to make sure that anyone offering you advice or services is authorised to do so.

A firm pretending to be an authorised firm is known as a 'clone firm' and may have a clone website that looks exactly like the real deal. **Tip:** double check their contact details against the register and see if they match. Always ensure a firm is FCA-authorized or you won't be protected by the Financial Ombudsman Service or Financial Services Compensation Scheme if something goes wrong.

**STEP  
3**

## Stop and think – are you being rushed or pressured?

Pressure to act quickly or you will miss out is often a warning sign. Take your time to make all the checks you need and remember, if it sounds too good to be true, it probably is.

**STEP  
4**
