

My NILGOSC Pension Online

What is My NILGOSC Pension Online?

We know that having access to your pension details when needed is important to you, so it's important to us.

My NILGOSC Pension Online is a self-service facility that allows you to access your pension details securely and update your information – wherever and whenever.

All you need is an internet connection and computer, tablet, or smartphone.

How to get online in 3 easy steps

- 1** Visit www.nilgosc.org.uk and click on 'Register' at the top of the page
- 2** Confirm your surname, date of birth and National Insurance number
- 3** If we already have your email address you can complete your registration by creating a password. If we do not have your email address you can either phone us so that we can add it to our system or we can post an activation key to you which you can use to complete your registration.

What Can I do?

That depends on whether you are an **active contributing member**, **deferred member** (left the Scheme but not yet receiving your pension) or **pensioner member**.
